

State Memorial Service in May

Who Are We?

C.O.P.S. was started in 1984 with 110 members as a support group for families who lost an officer in the line of duty, it has since grown to over 54,000 survivors.

- We are a 501(c)(3) non-profit organization funded by grants and donations.
- We assist agencies with line of duty funerals and processing State/Federal benefits for the family.
- We provide support for families and co-workers through peer support retreats and counseling programs to navigate through the grief of losing their fallen hero.
- We are here to help keep Fallen Officer's memories alive, so they are not forgotten.

Support for Family's and Agencies

No Agency is fully prepared to deal with a loss of one of their own.

An officer's line of duty death does not just affect the officer's family but their agency and the community as well.

C.O.P.S. will assist your agency with funeral planning by reaching out and using resources from agencies that we have built a positive rapport with over the years.

Some of these resources include

- Casket Watch
- Honor Guard
- Motor Escorts
- Pipes and Drums
- Taps

Applying for Survivor Benefits

C.O.P.S. will assist the agency and family with completing the applications for state and federal Public Safety Officer Benefit (PSOB).

TN FOP State Ceremony

In Nashville, before National Police Week, C.O.P.S. partners with the TN FOP to honor the officers from across the state that made the ultimate sacrifice by adding their names to the State Memorial Wall.

National Police Week

May 11-17 C.O.P.S. hosts National Police Week in Washington D.C. Ceremonies include a Candlelight Vigil, Ceremony on the Capital Lawn, State Ceremony at the National Law Enforcement Memorial and several seminars for Survivors.

Clarksville PD Officer Scott's daughter's High School Graduation

When the ceremonies end, we're still there for the survivors. If there is a monumental moment in the survivor's life that their officer should have been present for, we will fill that void.
